CIMIC obtained approval from ASIC in 2011 to change its financial year end date from 30 June to 31 December. As a result:

- the company had a six month transitional financial year from 1 July 2011 to 31 December 2011, with a final dividend in respect of that period of 60 cents per share (shown in the table above); and
- for all future years, the company's financial years are twelve month periods from 1 January to 31 December, and a dividend declared in respect of a six month period ended 30 June is an interim dividend and a dividend declared in respect of a sixth month period ended 31 December is a final dividend.
